Daf Parashah
<ul style="list-style-type: none"> • After the Chagigah, set on a Friday and due in on the following Wednesday
Welcome from the Teachers
<p style="text-align: center;"><u>Welcome to Year 3!</u></p> <p>We are delighted to welcome you to Key Stage 2 where we will be encouraging pupils to become independent learners. We hope that pupils will enjoy the challenge of the curriculum and become responsible for their own learning. There will be opportunities for them to work independently, in pairs and as part of small groups. We hope that they will become responsible for their belongings, taking great care to remember all equipment needed for each day.</p> <p>Homework diaries are new to Year 3 and are an essential link between home and school. They should be kept with your child at all times and can be used to write any important messages to the class teacher. Pupils will write their homework each week in their diaries. Please ensure these are checked and signed on a weekly basis. Class teachers will be checking and signing these diaries every week on a Friday. We look forward to a happy and successful year ahead!</p>

The Curriculum Leaflet is intended to be an overview of the curriculum provided to pupils. It is important to remember that within subjects, teachers will differentiate to cater for the range of needs within a mixed ability class.

The primary curriculum is a complex structure. When planning work across the school, we follow the National Curriculum, supported by the National English and Maths Strategy, as well as QCA Guidance Documents. In the *Foundation Stage* we follow the *Early Years Foundation Stage Curriculum*.

The learning objectives, as laid down by these documents, are adhered to although may be delivered in different ways from year to year.

The information provided for Literacy and Numeracy covers the key objectives for that term, these are not the only objectives being taught.
