## **Welcome from the Teachers**

### **Welcome to Year 6**

This is going to be a very exciting year for your children, the last of their primary school years before they embark on new adventures at secondary school.

We hope that you find the Curriculum Leaflet useful. Please feel free to contact us through the homework diary if you have any concerns.

Future information about Year 6 will also be posted on the school website. Please ensure that you log on regularly.

*The Curriculum Leaflet is intended to be an overview of the curriculum provided to the children. It is important to remember that within subjects, teachers will differentiate to cater for the range of needs within a mixed ability class.*

The primary curriculum is a complex structure. When planning work across the school, we follow the National Curriculum, supported by the National English and Maths Strategy, as well as QCA Guidance Documents. In the Foundation Stage we follow the *Early Years Foundation Stage Curriculum*.

The learning objectives, as laid down by these documents, are adhered to although may be delivered in different ways from year to year.

The information provided for Literacy and Numeracy covers the key objectives for that term, these are not the only objectives being taught.
